

Can't Stop

Redcliffs School

Please stop, just walk away and quit it
Don't deny just own up, admit it
Can't stop the bullying is too hard
It is really hurting me, my insides

Heartbroken, I'm too scared to show it
Fear for your life I'm gonna blow it
Leave me alone I'm going crazy
Just give me a break I am feeling lazy

Knocked out, but boy you better come to
I really didn't mean to hurt you
I'm gonna throw you to the pavement
Never meant those messages to you I just sent

Bystanders staring doing nothing
Enforcers standing there and laughing
I'm getting pummelled can't you just see
I hope my friends are coming to defend me

The hearts I break
The tears I make
To be part of
A life I can't have
Ever wonder if it's because of you
The Dad I crave
The Mum that tries
To be a part of
A life I don't want
Wish that I could go and start new

Please stop, just walk away and quit it
Don't deny just own up, admit it
Can't stop the bullying is too hard
It is really hurting me, my insides

Heartbroken, I'm too scared to show it
Fear for your life I'm gonna blow it
Leave me alone I'm going crazy
Just give me a break I am feeling lazy

Knocked out, but boy you better come to
I really didn't mean to hurt you
I'm gonna throw you to the pavement
Never meant those messages to you I just sent

Bystanders staring doing nothing
Enforcers standing there and laughing
I'm getting pummelled can't you just see
I hope my friends are coming to defend me

The hearts I break
The tears I make
To be part of
A life I can't have
Ever wonder if it's because of you
The Dad I crave
The Mum that tries
To be a part of
A life I don't want
Wish that I could go and start a new

Wait a minute I'm passing out
I always lose, not like you
Far more shocking
Than anything I ever knew
How 'bout you
10 more reasons
Why I need to fight back too, against you
Far more shocking
Than anything I ever knew
Right on cue

Please stop, just walk away and quit it
Don't deny just own up, admit it
Gonna stop the bullying it's too true
This life is more than just a read-through
